Wide Angle Lens 67mm mount with 46mm and 52mm adapters

Instruction Manual

Model# IWAL - UPC 814002010369

Package Contents

1. Wide angle lens 67mm thread mount (1) piece
2. 46mm thread mount adapter ring (1) piece
3. 52mm thread mount adapter ring (1) piece
4. Back protective cover (1) piece
5. Lens bag (1) piece

Directions for Use

1. IWAL has an integral 67mm lens thread along with a 46mm and 52mm thread adapter. For Intova IC14 use the 52mm thread adapter. All other Intova cameras use the 46mm adapter. Simply screw the adapter onto the back of lens and then screw the combined unit onto camera housing lensport.
2. IWAL can be attached and removed either on land or underwater.
3. Do not use excessive force when tightening IWAL on to the waterproof housing lens port ring.
4. Do not use the built-in camera flash when the IWAL is attached.
5. To avoid shadows at the corners of the image, do not set camera's lens zoom to maximum wide angle position.

Handling Precautions

1. Protect the IWAL against extreme temperature change.
2. To avoid condensation inside the lens, please use the IWAL at temperatures between 0° C ~ 40° C.
3. If IWAL becomes hot due to storage in an area with high temperatures, please allow lens to cool before using underwater to prevent condensation.
4. Do not drop the lens.
5. Do not clean IWAL with organic (petroleum based) solvents.
6. To avoid damage to your eyes, do not look at the sun through the lens.
7. Avoid excessive force when attaching or removing IWAL from camera's waterproof housing.
8. After each use clean IWAL by rinsing thoroughly with fresh water to remove any salt, dirt or debris.
9. Do not store lens in direct sunlight or in areas with high temperatures or humidity.

Specifications

1. Thread mount: 67mm
   (46mm and 52mm with thread mount adapters)
2. Construction: 2 groups/2 elements
3. Material: Optical glass lens, Aluminum alloy barrel
4. Magnification: 0.65%
5. View angle: 75 deg (87 deg above water)
6. Weight: 350g
7. Dimensions: (8.7x4)cm with adapter,
   (8.7x3.6)cm w/o adapter
8. Depth rating: 50M

STANDARD WARRANTY

Intova warrants its products against defects in material and workmanship for 1 year from Date of Purchase. Pursuant to this Limited Warranty, Intova will, at its option, repair or replace legitimately defective products. Repair and/or replacement may include the use of refurbished parts or products. "Refurbished" means products or parts that have been factory restored to original specifications.

Warranty coverage only applies to the original purchaser, when purchased from an authorized Intova dealer. **Proof of Purchase from authorized dealer must be included with all warranty returns.**

To obtain warranty service, contact Intova for a Return Authorization number. Product and Proof of Purchase must be returned, freight prepaid, to Intova with RA number clearly marked on package. Product must be sent in original or comparable packaging that protects the contents. It is the owner's responsibility to back up and save all data, photos or software. Intova will not be responsible for loss or damage to data, software or photos.
